KENNETH A. NICKERSON

Ken Nickerson Is Candidate For Police Chief

Albany Police Officer Kenneth A. Nickerson of 737 Gateview Ave. today has announced his candidacy for the position of Police Chief at the April 13 municipal election.

A veteran of 25 years' service with the city, Nickerson joined the local Fire Department on January 1, 1929, and in 1934 the late Chief John Glavinovich appointed him police patrolman after passing entrance examinations. He served two years as police inspector prior to entering the U.S. Army in 1942, where he served three years including two years with the military police in Honolulu.

The candidate is the son of the late George W. Nickerson, who assisted in the incorporation of the City of Albany and was elected as the first City Clerk.

In announcing his candidacy, Nickerson stated:

"I feel that through my 47 years in Albany I have become well acquainted with people of our city, and also with the city's needs and problems that are of great importance in police work. It is my intention to consider progressively the problems of our growing community with realization of the importance that a law-enforcement department must function harmoniously to efficiently serve its citizenry."

"Feeling that my years of experience added to my qualification will greatly assist me, I will be honored in serving the citizens of Albany in a manner devoted to their safety and to the progress and development of their city."

Nickerson and his wife Phyllis, to whom he was married while in Honolulu, have a seven year old daughter, Julie, a student at Vista School.

City Pays Seed Bill Plus Interest

The Albany City Council today has joined with Oakland in opposing a southern Bay bridge crossing until a full-scale investigation can be made.

The Council voted Monday night to support a request of Oakland Mayor Clifford Rishell that the State delay issuing a construction permit until an investigation can be made.

Mayor Lewis Howell explained that Albany had already gone on record as opposing the southern bay crossing, and since interests of Oakland and Albany are the same, he said he would go along with Mayor Rishell's request.

In a letter to the Council, Councilwoman Mrs. Kathie Zahn asked the Council "to declare null and void" the action by the three members of the Civil Service Board to rescind rule 13 of the civil service rules and regulations.

The rule, dropped by the board at a meeting last Thursday evening, regulated the political activities of Albany civil service employees and prohibited them from engaging in municipal or county political campaigns, unless given a leave of absence to do so.

Mayor Howell pointed out that Albany is one of few cities in the State that elects a chief of police, and that the rule would eliminate many "good men" if police officers couldn't run.

City Atty. Edward R. Plotner said elimination of the rule was justified because it never was valid to begin with. He said the board only had power to set up rules and regulations governing selections and promotions of personnel.

In other action, the Council authorized the payment of \$266.87 plus \$26.50 interest to John Fleich, owner of Flowerland Nursery, to cover the cost of grass seed used in planting the Key Route memorial strip over a year ago.

Judge Edmund C. Staats of the Berkeley-Albany Municipal Court ruled last week following a year-long legal battle that the city was obligated to pay the bill.

The debate on the matter started last year when Mrs. Zahn charged that the Council acted illegally in purchasing the materials without putting it out for public bid. Later, the City Attorney concurred and said he didn't believe Fleich could collect his bill from the city.

Councilman Jerome Blank said, "I am happy this case went against the city. I believe that when you buy something you should pay for it." He also lambasted Mrs. Zahn, who he said was responsible for making a big issue of the case.

Mrs. Zahn answered that "the judge who made the decision didn't know all the facts. Albany businessmen do not want bids any more because of the way this was handled."

Albany residents will be represented with pedigree canines in the coming Oakland Kennel Club Dog Show and Obedience Trial Saturday and Sunday, Feb. 13-14 at the Oakland Exposition Building.

Among them are Mrs. Julie Villavall, with a Cocker Spaniel; Mrs. R. W. Morris, Boston Terriers; and Norma W. Mahurin, Dachsunds.

Dogs of all the popular standard breeds, and such rarities as the Hungarian Puli, Rhodesian Ridgeback from Africa, and the Chinese Crested will be shown during the two-day benching and trials. Show

hours are from 10 a.m. to 10 p.m. each day.

Albany SOROPTIMIST News

Albany's Senior Citizens are ready going to town! At Wednesday's luncheon and meeting at the Albany Recreation Center a committee was formed to work out the details of organizing a permanent organization for the benefit of the young old-timers. Serving as Co-Chairmen are Mr. and Mrs. R. L. Gill, and their able committee are Mrs. Ryne, Mrs. Neil Bellou, Mrs. Graham, and Mr. A. G. Gaffney. Progress has begun already—at 10 o'clock Thursday morning Mr. Gill was busy painting the Recreation Room at the Center with a pot of paint provided by Emmett Devine. The next meeting will be held Wednesday, February 17 at 1:00 p.m., at which time a questionnaire will be circulated to determine the

wishes of the Senior Citizen group as to future programs; card games, crafts, picnics, tours, or what-is-your-wish will be the order of the day in the near future. Now that the program is under way, the Albany Soroptimists are looking forward to a highly successful organization for the benefit of Albany's young old-timers.

Wednesday, February 10, we will welcome John R. Ober, a member of the County Treasurer's office in the Inheritance Tax Division. His talk will be on the "Romance of Safety Deposit Boxes." Bea Williams will be program chairman and Miriam Gilsenan will wield the gavel.

St. Alban's Topic

Rev. John H. Blackledge of St. Alban's Episcopal Church will speak on the topic "Losing and Finding God" at the 11 a.m. service Sunday. Holy Communion is celebrated at 7:30 a.m., followed by the family worship at 9:15 a.m.

Local Y Receives New Face Lifting

The Albany YMCA has recently gone through a face lifting process with work volunteered by the adult badminton group which enjoys the facilities once a week.

The group donated 154 man hours to remove old paint and re-paint side walls, woodwork and ceiling. The rehabilitation has added cheerfulness and more light for the many teen-age and adult groups who use it, according to Elmer Coble, executive secretary.

The 14 members who volunteered 11 hours each were Mr. and Mrs. Charles Blume, Mr. and Mrs. Frederic M. Brown, Mr. and Mrs. Mike Edlstein, Mr. and Mrs. Errol Q. Hayes, Mr. and Mrs. C. H. Semme, all of Albany; Mr. and Mrs. Clary Enos of Richmond, and Mr. and Mrs. Matt Johnson of El Cerrito.

Some of the needs for the club-room are more folding chairs, a wood vacuum cleaner, refinishing of furniture and books. Anyone interested in assisting may call Coble at LAnd. 5-4833.

Mending fences is routine for Sam McGee, blinded 20 years ago in a mine blast, because of "Jiggs," his Guide Dog. The Labrador, who has opened a new world of productivity for the farmer, was given him without cost by Guide Dogs for the Blind, Inc., which is now conducting its annual membership campaign to finance this year's program of helping the blind to help themselves.

Here's what's packing our showrooms!

Ford's new 130-h.p. Y-block V-8 with Overhead Valves

This all-new overhead-valve, high-compression "eight" has an extra deep Y-shaped block, giving it extra rigidity and far smoother, quieter power. Its deep-block and low-friction design makes it the most modern V-8 in the industry... with 20 more horsepower... and you can enjoy greater economy and much longer engine life.

Ford's new 115-h.p. I-block SIX with Overhead Valves

This new low-friction, high-compression Six has an extra deep block, too, a Ford exclusive in the low-price field. In addition to its smooth performance, higher compression, and 14% more power, you get Ford's traditional gas savings... Ford's Automatic Power Pilot squeezes the last ounce of power out of every drop of fuel... regular or premium.

... and power
is just one of Ford's
1954 features

In addition to its two new deep-block engines, Ford offers you 14 stunning body styles to choose from, each with trend-setting interiors and a new safety-designed Astra Dial Control Panel. You get the greatest advance in chassis design in 20 years, too, with Ford's new Ball-Joint Front Suspension. And you can choose from five optional* power assists usually associated only with America's costliest cars.
